GIRARDI

After a long experience in the stocking industry, dating back to 1933, Mr Domenico Girardi establishes “Calzificio Girardi” in 1954. Our mission is to give life to an idea of absolute elegance and fashion, through continuous research of styles, colours, graphic themes and technical solutions. We produce all our items inside our works in Reggio Emilia where the attention to every tiny detail accompanies our passion for hosiery. All the production steps are followed by a one-by-one quality test, an accurate and meticulous procedure that allows very high quality standards. Our everyday challenge is to produce special articles and items of absolutely new concepts along with basics of extreme elegance, in order to meet the most sophisticated needs and the most difficult requests.
